Charlotte Pipe Joins Facebook

CHARLOTTE, NC – March 4, 2011 – Charlotte Pipe and Foundry Company can now be found on Facebook at www.facebook.com/charlottepipe. Discussions on the page will include industry and company news, plumbing products and general items of interest.

Charlotte Pipe has been in business for 110 years providing quality products as well as great customer and technical service to the plumbing industry. The Facebook community will provide yet another way for Charlotte Pipe to communicate and build relationships. Customers, Company associates, engineers, contractors, plumbers and anyone interested in the plumbing industry are welcome to join the page and become a part of the conversation.

Charlotte Pipe and Foundry is the only manufacturer that offers a system of ABS, PVC, CPVC, cast iron, FlowGuard Gold[®], ChemDrain[®] ReUze[®] and RePVC[®] pipe and fittings for residential and commercial plumbing systems and industrial applications. The nation's leading maker of cast iron and plastic pipe and fittings, Charlotte Pipe and Foundry offers the industry's broadest product offering of standard and specialty DWV products.

Charlotte Pipe and Foundry is headquartered in Charlotte, NC, and has seven plant locations across the United States. Combining modern technology with a century of craftsmanship and experience, the company has a proud legacy of commitment to the industry and its customers. The company is guided by the philosophy of its founder - produce the best product possible and provide the best service for the customer.

For more information, contact Charlotte Pipe and Foundry at 800-438-6091.
